Power of Attorney
Information

WHAT IS A POWER OF ATTORNEY?
A Power of Attorney is a legal document in which a parent authorizes another adult to act in the parent’s place on behalf of the child. A Power of Attorney is a “permission slip” which tells others, such as doctors or teachers, that when a parent’s signature is needed, the other adult has authority to sign in place of a parent. By signing a Power of Attorney the parent does not give up any parental rights.

The parent retains all legal rights. With a Power of Attorney the parent shares the authority to make decisions with a designated adult.

In any Power of Attorney, the parent decides:
• which duties he/she wishes to share with the other adult, and
• the length of time that the Power of Attorney will be in effect.

A Power of Attorney can be used for a limited purpose such as taking a child to a specific doctor’s appointment or registering a child for school. A Power of Attorney can also be used for broad purposes such as all decisions affecting the child for a six month period.

A Power of Attorney is only valid for up to six months. A Power of Attorney can be revoked by the parent at any time.

WHEN TO USE A POWER OF ATTORNEY
Powers of Attorney should be used when:
• a parent has left his/her child in the custody of another person and is not able to be contacted should an emergency arise; or
• a child is living in a separate home from his/her parents; or
• an adult other than a parent is the child’s main caregiver.

DIRECTION FOR SIGNING A POWER OF ATTORNEY
• A Power of Attorney must be signed by the parent in the presence of a Notary Public.
• The Caregiver keeps the original Power of Attorney with them as proof of their authority to make decisions on behalf of a child.

When a parent has given a Power of Attorney to a primary caregiver of a child, the caregiver should have the following documents for their records:
1. Original notarized copy of the Power of Attorney
2. Child’s Birth Certificate
3. Child’s Medicaid or other insurance card
